## **DDCA PRESIDENT'S REPORT 2023/2024**

I would like to acknowledge the efforts of our past president, Michael Hawking. Michael served on the Executive for 27 years of which the last 18 as President. Michael's commitment, determination, integrity, loyalty, passion and vision ensured that the DDCA is well respected and a vibrant organization. At the recent Boxing Day test, Michael was recognized by Cricket Victoria for his 60 plus years of service to cricket.

Also, a special thanks to Christine Ware who retired as Chairperson of our Appeals Tribunal Committee (ATC). Our new chair, Luke Farrell, and his members have provided valuable feedback on our processes for our consideration.

We are fortunate to have numerous sponsors to provide us with financial support to assist us in the administration of the competition. Kookaburra and Dandenong Club are significant long-term corporate sponsors and we appreciate their support.

We started the season on the back foot with the loss of Springvale CC. It is our understanding that the Club and the City of Greater Dandenong CGD) came to a mutual decision on this matter. I must highlight that the CGD will continue to push forward with its turf cricket policy, gender equity and fair access policies. It is imperative that all clubs take action pertaining to gender equity and fair access policies as it will be a matter of time before other LGA's start to impose the same. The Executive is engaged in meetings with representatives from CGD and City of Casey on a regular basis and will ensure that we continue to work in the best interests of all clubs.

After three interrupted seasons, it was great to what many of you would consider to be a normal season. We are mindful from our recent survey that a significant number of senior players do not want matches fixtured on Sundays. Bearing this in mind, the match committee will consult with clubs to consider suitable options.

The transition from MyCricket to PlayHQ caused an increase in workload for Club Administrators and Executive members. We hope that the minor glitches in the application will be resolved by the start of season 2024/25. We thank you for your patience on this issue.

We appreciate the involvement of Buckley Ridges CC, Dandenong West CC, Noble Park CC, Parkfield CC, Parkmore Pirates CC and Springvale South CC in the inaugural T20 Female competition. Also, to AGL and Supersigns Australia for sponsoring the T20 competition. A special mention to Cathryn Fitzpatrick for allowing us to award the Cathryn Fitzpatrick medal to the best player in the T20 Female grand final. It is our objective to grow this competition and also to facilitate a female competition on Sunday's.

The DDCA Academy had a drop in numbers last year. However we are starting to see the benefit, of over 500 participants who have attended the academy over the last few years, flow on to representative teams and to clubs. The commitment and dedication of Hayleigh Brennan, Matt Chasemore and Craig Slocombe has ensured that the participants are learning the skills to assist in their development.

I encourage all clubs to embrace the initiative by our junior committee to fixture a grade of Under 14's and 16's on Turf on Sundays this coming season. We have listened to your concerns about losing juniors to clubs in other Associations and we hope that this will assist in player retention and also attract juniors from other competitions to your club.

Congratulations to the Premiership winners, batting and bowling winners and Alan Wookey, Charles Gartside and Ian Macdonald winners for the best and fairest in the respective Turf 1, 2 and 3 grades.

A thank you to all the members of our subcommittees, representative coaches, assistant coaches, team managers and club volunteers for dedicating their time and sharing their knowledge.

Continued.....

Our umpires do an exceptional job each week and acknowledge their contribution to our game. However, we all need to assist in encouraging persons from Club level or from other Associations to join the ranks of the DDCUA.

At our recent Special general meeting, Clubs endorsed the reduction of members on the Executive from 12 to 8. The appointment of a Cricket Administrator to look after the operational matters of the Association will allow the Executive to focus on strategic issues. I take this opportunity to thank John Brooks, Greg Oliver and Nathan Tracy for their valuable input and commitment.

The rules of our Association are as a result of suggestions from Clubs and the Executive. A majority of us on the Executive and in club "land" are lay persons when it comes to legal matters. Costs incurred by the Executive in defending the rules of the Association will eventually be borne by our member clubs. Therefore I kindly request that you seriously consider the proposed rule by the Senior Rules & Permits Committee that the last avenue for an appeal on any decision by the respective subcommittee is the VMCU.

Finally, a big thanks to all the executive members for their efforts in ensuring that the competition meets the needs of our members.

I encourage you all to collaborate with the Executive to make our competition a better place for all the juniors and seniors wanting to play the game.

Hilary Wijeratne  
President  
DDCA

## CONGRATULATIONS

Congratulations to Mick Hawking on receiving a 50 year Service award from Cricket Victoria on Day 3 of the Boxing Day Test. Mick, in fact was acknowledged that his service was in fact 61 years. Mick was present at the function with wife Cheryl and his children Nick and Sheridan. Well deserved Mick, for all your hard work over many years.

## **DDCA JUNIOR VICE PRESIDENT REPORT 2023/2024**

Firstly, I would like to thank the DDCA Executive Members for all their support and assistance during the last 12 months.

Season 2023/2024 was a year of change with the introduction of Play HQ, which had its own challenges. Play HQ created an enormous amount of work for the Secretary and Match Committee chairman has all clearances needed to be completed off-line on a form developed by the DDCA. This should improve greatly this season as the majority players will be able to be transferred within Play HQ.

I would also like to acknowledge and thank all the VMCU Coaches and their assistants, they put in a lot of training hours before the carnival and then they are involved in the Carnival which runs for 2 weeks during January. Your commitment and time and effort is greatly appreciated, and I am confident that the kids are better for the experience.

The DDCA still has some work to do in the Junior space regarding:

- Retention of Players
- Girls Cricket
- Recruitment of Players (Particularly City of Dandenong Clubs)
- Accreditation of Coaches

I know that planning is already under way for the new Administrator to work with Cricket Victoria and the Clubs to develop a plan regarding everything from recruitment retention, and an increase in the number of Girls Sides moving forward. It will be a major undertaking by the DCCA, but juniors and girls are the future of our competition, so this is an absolute no brainer for the DDCA.

Unfortunately, last season we had a few incidents at Junior games which should never have occurred. Most of them seemed to revolve around Coaches not understanding our rules and parents getting involved in situations when it was not necessary. The DDCA this season will introduce a mandatory coaching accreditation session which will enforce all the rules of our Junior Cricket competitions, the responsibilities of the coaches and generally stress the importance of playing cricket in the right spirit.

The DDCA Cricket Academy under the guidance of Matt Chasemore, Craig Slocombe and Hayleigh Brennan was again a great success, and this is some thing that is going to continue to grow and grow. The kids have really bought into the program, and you can see the improvements as the program has progressed.

Overall, the DDCA continues to improve, but as stated there is plenty of work to do. So, get behind the DDCA in 2024/2025, and I am sure our Junior program will get better and better.

Yours in Cricket  
Greg Oliver  
Junior Vice President  
DDCA
